## Women's Sizing Guide

Refer to the size chart and compare your foot length to the chart. Measure from heel to toe.

Please keep in mind that leather stretches. The measurements in the chart indicate the shoe's inner length, same as the last used to manufacture your shoe. If you don't want to measure your feet, we recommend choosing a size or a half size smaller, as our sizes run big and leather stretches over time.

01. GET A RULER

02. MEASURE BOTH FEET  
ON THE RULER

03. PICK THE LONGEST  
FOOT

04. CHOOSE YOUR SIZE

WOMEN'S LEATHER SHOES			
UK SIZE	EU SIZE	US SIZE	FOOT LENGTH (MM)
2	35	4	212
3	36	5	220
4	37	6	229
5	38	7	237
6	39	8	246
7	40	9	254
8	41	10	262
9	42	11	270
